III. Health Protocol

○ Pre-Arrival

To comply with Indonesia's COVID-19 health and safety standard, all delegation are required to have travel insurance with COVID-19 coverage and are expected to take the PCR test at least 2x24 hours before departure from the airport of origin, with a negative result. Delegates must be fully vaccinated for COVID-19, proven by a COVID-19 vaccination certificate. If any delegate cannot get a full dose of vaccine due to comorbidity or other health reasons, the delegate must be enclosed with an official health declaration form explaining such condition from Health Officials.

All delegation must authenticate their vaccination certificate (visit the link below). Each delegate has the option to access their own verification results on the PeduliLindungi application. The PeduliLindungi is a smartphone application used to track COVID-19 occurrences. As part of the country's protocol, all visitors to Indonesia are obligated to use it while they are in public places.

<https://vaksinln.dto.kemkes.go.id/sign/in>

The PeduliLindungi application can be downloaded by scanning the QR code on this page.

IOS Version

Android Version

○ **Arrival**

1. All delegates who will enter the territory of the Republic of Indonesia shall adjust their travel documents to ensure compliance with the provisions regarding the foreign travelers allowed to enter the territory of Indonesia, which includes COVID-19 vaccination certificates, Rapid Test (RT) - PCR examination provisions, quarantine period, and the use of PeduliLindungi application.
2. Delegates must show a negative RT-PCR test result in which samples were taken in the country or region of origin within a maximum period of 2x24 hours before the departure time.
3. All delegates are allowed to enter the territory of Indonesia through entry points via: Airports: (i) Soekarno Hatta, Jakarta and (ii) Ngurah Rai, Bali. Please note that The Committee only provides G20 hospitality airport arrival in Ngurah Rai, Bali.
4. Upon arrival at the entry points, delegates must undergo a COVID-19 symptom check, including a body temperature check, with the following conditions:
 - a. If there is no symptom of COVID-19 and body temperature is below 37.5 degrees Celsius: no need to undergo RT-PCR examination upon arrival
 - b. If there is no symptom of COVID-19 and body temperature is above 37.5 degrees Celsius: must undergo RT-PCR examination upon arrival
5. The provision regarding the period of isolation (quarantine) applies for all foreign travelers with the following categories:
 - a. Quarantine is no longer required for those who have received the complete dose of vaccine at least 14 days before the departure time.

- b. Quarantine period of 5x24 hours is required for those who have not been vaccinated or received the complete dose of vaccine
- c. Foreign travelers under the age of 18 (eighteen) years and/or require special protection can follow the quarantine period provisions imposed on their parents or caregivers.

6. The above policies are temporary and will be readjusted according to global health and national policies development.

- **During Meeting**

To ensure the safety of all delegates, all meetings and site events' arrangement will follow physical distancing protocol. All delegates are expected to follow all arranged by the Indonesian G20 Presidency. **Any changes with the health protocol policy will be promptly informed to all delegates in writing through email.**

- **Pre-Departure**

Delegates who might need PCR test for departure requirement, there is the following recommended place:

Siloam Hospital Denpasar

Price for PCR Test: IDR 275.000 (USD 20)

Test result will be provided 1x24 hour after test

Jl. Sunset Road No.818, Kuta, Kec. Kuta,
Kabupaten Badung, Bali 80361 Indonesia

VII. Airport

(<https://bali-airport.com/en>)

○ International Terminal

○ Domestic Terminal

○ **Customs**

Indonesian national laws govern the importation and exportation of prohibited or controlled items into or out of Indonesia, including medications. Delegates are allowed to bring medication, strictly for personal use. However, drugs containing narcotics are prohibited from entering Indonesia. Those containing psychotropic substances are restricted and must be declared. In addition, delegates must present a letter from their physician and/or a copy of the original prescription stating the list of medication(s) and amount used per day to a custom officer. These documents are essential to prove the legality of prescribed medication, should there be questioning by the customs. The government exempts some excisable goods purchased abroad for personal use from import duties, excise, and taxes for every adult on every arrival with a limited amount:

- 18 years old or above: 200 cigarettes, 25 cigars, or 100 grams of sliced tobacco or other tobacco product, and/or
- 21 years old or above: 1 liter of alcoholic beverages. Any excess of the excisable goods will be destroyed.

Non-resident carrying more than USD 10,000 (or equivalent in other foreign currencies) or IDR 100,000,000 in cash should be declared to the Customs.

X. City Information

○ **About Bali**

Bali Island is a small beautiful island and a part of Indonesia archipelago, and the most famous of Indonesian tourism in the world. Bali island has many places of interest such as rice paddies, beautiful panorama, volcanoes, tourism activities as well as attractions.

○ **Health and Safety**

Bali has excellent hospitals and high-quality medical care available 24-hours a day.

○ **Weather**

Bali's is located very near to the equator; therefore, its warm, tropical climate makes it a huge draw for tourists.

○ **Currency**

Bali's currency name is **Indonesian Rupiah** and is abbreviated as Rp. The currency code is IDR, which is Indonesian Rupiah.

○ **Electricity**

Most power plugs and sockets in Indonesia are type C and F. This plug is the 2 pin socket and plug design which is the standard European plug.

○ **Eat and Drink**

Balinese cuisine is a cuisine tradition of Balinese people from the volcanic island of Bali. Using a variety of spices, blended with the fresh vegetables, meat and fish. Part of Indonesian cuisine, it demonstrates indigenous traditions, as well as influences from other Indonesian regional cuisine.

XI. Additional Information

○ **Dress Code**

The dress code is business attire. Long sleeve Batik shirts for men and long sleeve batik dresses are also considered as business attire in Indonesia.

○ **Working Language**

All meetings will be conducted in English. No interpretation services will be provided.

○ **International Dialing Code**

Indonesia's country code is +62, and Bali's local code is 36. Therefore, to call a local number, you can dial +62 followed by 36 and then dial the number you wish. Likewise, to call a mobile number using a foreign number, you should dial +62 followed by the mobile number you wish to contact.

Delegates intending to use an Indonesian SIM Card can obtain from an official mobile network operator outlet to have 90-day access.

○ **Useful Emergency Phone Numbers**

- For ambulance call **118** and **119**
- For search and rescue call **115**
- In the case of natural disasters call **129**
